Missed Appointment Policy

We value your time and strive to provide you timely access to your physician. For this reason, if you need to reschedule your appointment, we require at least 3 hours notice so that we can fill the appointment time with another patient needing to be seen.

In the case of a cancellation without 3 hours notice or a no-show to a scheduled appointment, you will be charged a missed appointment fee of \$30.00 per booked 15 minutes if we have been unable to fill your booked time with another appointment.

We require the fee to be paid prior to future appointments being booked. If appointments are missed repeatedly without adequate notice or reason you may be discharged from the practice.
